

Chocolate Bark

90g Vegan dark chocolate (70% min)

Chopped hazelnuts

Chopped Cashew nuts

Sunflower seeds

Chia seeds

Desiccated coconut

Melt chocolate and pour into a food grade silicone tray

At this point, can mix some of the ingredients into the chocolate, smooth out and then sprinkle remainder on top or just sprinkle them over the smoothed out chocolate

Refrigerate until set.

Break up into pieces, store in fridge

Toppings are all optional, feel free to experiment!
